\_\_\_\_\_  
\_\_\_\_\_
- 12) Do you have a Vehicle? If so, has it been checked? \_\_\_\_\_

This questionnaire is to help the management of the building solve the pest issue in your suite to the best of their ability. Your help in this manner is very important to help find the source of infestation and to resolve it quickly. The more information you can provide to management the better. If you can think of anything else, please provide additional information on the back of this sheet.
